#4921 HS: Alliance Oncology

Joplin (Jasper County)

\$5,482,187, Voluntary Forfeiture on CON to Replace Linear Accelerator

Contact Person: Gregg Lepper, 314-516-2658, (gl@greensfelder.com)

On July 8, 2013, a CON was issued to Alliance Oncology, LLC to replace a linear accelerator at 3411 McIntosh Circle Drive, Joplin, 64804.

On July 8, 2015, a request was received for a third extension of the capital expenditure, which was placed on the September 14, 2015 CON meeting agenda. On August 28, 2015 the applicants changed the request to a voluntarily forfeiture of the CON. The applicant states that despite its efforts in exploring avenues for the successful completion of the project, it cannot proceed because the Joplin community cannot support four linear accelerators.

Additional information is available on the Certificate of Need website.
